

Schools/Vulnerable groups

Childhood experiences in nature are a lifelong source of inspiration. Consciously wandering around and being guided by the senses sharpens the focus and intensity of the experience. Young people work with natural remains, discover artistic hiding places and observe erratic patterns. Thus they are fully incorporated into the Verbeke landscape. In This proliferation of culture and nature their imagination knows no boundaries. They cultivate engagement, selfconfidence and empathy and are part of everything that is in motion.

Duration of the walk: 2.5 to 3 hours

Time: To be agreed via info@verbekefoundation.com

Price: Groups from 1 to 30 persons: €8 per person
